課程簡介 (Course Introduction)

The TOEFL listening section tests the students understanding of spoken English and their ability to respond to answer questions about conversations and lectures in an academic setting. This workshop aims to assist students who plan to take the TOEFL iBT test or any kind of English proficiency test and for general students to enhance their English-speaking skills and listening comprehension by developing listening skills that will help them in the test and speaking English in various conversational topics. Beginners and intermediate level English learners are welcome to join the workshop.

托福聽力部分主要測試學生是否在大專校園中聽得懂日常對話和課堂講演，並具備應答的能力。這個工作坊希望能幫助想要考托福和其他語測的學生培養聽力技能，在語測和各種會話情境中溝通流利。歡迎初級和中級英文程度的學生報名參加。

課程目標 (Course Targets)

1. Listen to audio recordings and discuss the topic 聽力練習和討論
 2. **Identify important listening skills for better English comprehension** 學習聽力技巧，提升英文理解能力
 3. Discuss strategies for listening through sample audio recordings or through interactive activities 利用範例和互動活動討論聽力技巧
- Examples 例如:
- a. Becoming active listeners 成為積極聆聽者
 - b. Understanding context and tone of speakers 了解言談情境與說話者語調
- e. **Mini tests to familiarize students to the TOEFL iBT listening section test format as well as evaluate students class understanding** 透過迷你測驗讓學生熟悉托福聽力測驗題型，並評量學習成果
